Dear Mr. Boehmer:

This is in response to your January 5, 1984 letter to William Librizzi requesting documents on the Asbestos Dump hazardous waste site, located in Millington, New Jersey.

Enclosed are photocopies of materials pertaining to the above-referenced site. A total of 228 copies were made at a fee of \$.20 per copy. Upon receipt of this letter, please forward a check to this office in the amount of \$45.60, payable to the United States Environmental Protection Agency.

Additionally, a Remedial Investigation/Feasibility Study Work Plan is currently being prepared for the site. When completed, this document, which will outline additional data gathering requirements, will be made available for your review.

Should you have any questions concerning the above, please contact Mr. Robert McKnight at (212) 264-0106.

Sincerely yours,

Robert N. Ogg, P.E., Chief
Hazardous Waste Site Branch
